

Below is a list of the certified MTM pharmacists available for St. Louis County members. You can contact any of these providers to begin the MTM process and to determine your eligibility. NOTE - this list will be updated periodically as more provider options are available in each of the Virginia, Hibbing, Ely and Duluth areas and updates will be communicated to plan participants. Meeting with an MTM pharmacist below does not require that you make changes to where you currently have your prescriptions filled.
